

Visit to the substation Kuylyuk

In accordance with the Decree of the President of the Republic of Uzbekistan No. UP 5847 dated 08.10.2019 "On approval of the concept of development of the higher education system of the Republic of Uzbekistan until 2030" (Chapter 3, § 5 Actively attracting customers to the process of training highly qualified specialists). As well as based on the protocol institute meeting No. 6, clause 12 dated September 30, 2019 on the introduction of a 5 + 1 student training system (five days at the institute and one day at the factory). On November 9, 2019, an assistant professor at the department of the Use of Electrical Technologies and Electrical Appliances U. Khaliknazarov and assistant O. Matchonov, together with 2nd-course students of 201, 202 groups visited the Kuylyuk electrical substation. There, together with specialists, they held a lesson on the subject "Electrical Materials". Students really liked the lesson. They received answers to all their questions.
