

Education Fair in Uzbekistan

Man always strives for knowledge. Scientists and thinkers, creators have always enjoyed respect and honor. No wonder the Uzbek proverb says: "From the cradle to the grave, be in search of knowledge." On November 9, 2019 in Tashkent, the Intercontinental Hotel hosted the exhibition "Education and Profession". The faculty and students of the faculty, as well as the department of portfolio formation, distribution and monitoring of graduates, under the leadership of the dean of the faculty of Land management Sh.Narbayev, led the exhibition.

Prestigious institutions and universities attended the fair from developed countries of the world, including Europe and Asia. Our students received the information they needed for themselves, were acquainted with the advantages and possibilities of education in international curricula.

Information from the teacher of the department "Geodesy and Geoinformatics" Utkir Islamov.
