

The initiative is in line with the organization

It is also important to express an opinion on the social, political, economic and spiritual processes in the event. On February 11, the Youth Council and activists of the faculty of Agricultural Mechanization visited the Alisher Navoi Cinema as part of the Festival "Youth and Cinema" organized by the Uzbek National Cinematography. The great thinker was acquainted with the life of our great ancestor and made positive conclusions.

Information by M. Baratov, the youth leader of the faculty of AM
