

Dialogue in the general school

According to the cooperation roadmap, Associate Professor of Irrigation and Land Reclamation Department S.Kasembetova, Assistant G.Akhmedjanova and Assistant E.Malikov of Faculty of Hydromelioration visited Secondary School No 56. First, school principal N.Mutalova acquainted pupils with the conditions created. Teachers of the Department of Irrigation and Land Reclamation organized a dialogue and an open lesson with students of 11th grade who are going to enter the university this year. ❌ ❌

President Shavkat Mirziyoyev stressed that to form the foundations of a new Renaissance in the country, it is necessary to create the environment and conditions for nurturing new Khwarizmi, Beruni, Ibn Sino, Ulugbeks, Navoi and Baburs. "Our highest priority should be to create ample opportunities for young people to set themselves ambitious goals and achieve them. Only then will our children become a real force to fulfil the age-old dreams of our people," the president said. Associate Professor S. Kasembetova made a presentation on the activities of the "Ameliorator" student clubs, water and applied technology digitization.

❌ Afterwards, an interesting competition was organised among the students. The winners were awarded souvenirs from the department. Teachers from School No. 56 also took an active part in the dialogue. At the end of the meeting, the students were invited to an excursion to the Tashkent Institute of Irrigation and Agricultural Mechanisation Engineers.
