

## A teacher is a great edifier

Ermat Khayitmatovich Nurmatov, who has worked for many years in our country, has been making a great contribution to the training of thousands of people, who is a highly qualified specialist who has been educating the younger generation. In this regard, the professors and teachers of the Department of "Geodesy and Geoinformatics" of the Faculty of Land Management visited their homes to congratulate the teacher.

At the same time, this poem is written:

Teacher - Honor - a great teacher !!!

Who in the world says they are dear?

The teacher said the teacher is unquestionable

And again, dear no doubt

A man who appreciates his teacher.
