

Carrying out 5 + 1 lessons in "Uzdonmahsulot" JSC

President of the Republic of Uzbekistan Section 3 of part 5 of the Resolution of the President of the Republic of Uzbekistan "On Approval of the Concept of Development of Higher Education of the Republic of Uzbekistan until 2030" dated October 8, 2019. In accordance with paragraph 12 of the meeting minutes, namely 5430500 - Agriculture Power Supply Education On March 10, 2020, Khaliknazarov and Associate Professor N.Markayev representatives of the enterprise acquainted with the current activities.

Students learned how to assemble electrical appliances, electric motors, electric heaters, automatic control devices, protectors, low-voltage transformers and other types of electrical equipment used by the Tashkent Grain Products Company in compliance with electrical safety regulations. For students, this lesson was very interesting. Students received sufficient answers to their questions from experts.
