

2nd year students of groups 206, 207 of "Labor protection and technical safety" under the guidance of curators of the Department of Life Safety A. Kurbanov and N. Saidkhudzhaeva visited the city of Samarkand - one of the unique and ancient cities in the world.

There is no future for a nation that does not know its history and does not remember its past. Today Samarkand architectural monuments are an integral part of the world cultural heritage, they are true masterpieces of world civilization.
