

"ONE STEP AWAY FROM STUDENTSHIP"

June 10, 2021, On behalf of our institute staff associate professor of the Department of Economics U.S. Sangirova and employee of the Department of Youth Affairs, Spirituality and Enlightenment M.B. Baratov participated at the event under the motto "ONE STEP AWAY FROM STUDENTSHIP" in the secondary school No. 68 of the Department of Public Education of Ortachirchik district, Tashkent region. They shared information on our institute, the conditions and opportunities created to students.

At the end of the event, young people received answers to their questions from teachers.

Parents who attended the event also received answers to their questions. Most of the graduates who took part in the event asserted that they would definitely apply to the Tashkent Institute of Irrigation and Agricultural Mechanization Engineers. after the admission process and took a photo together.
