

## Visit to the Bukhara branch of TIIAME

During the visit to Bukhara branch of TIIAME, the head of the scientific department B. Matyakubov had an opportunity to meet with the director Sh.Zh. Imamov. The management of the branch was fully acquainted with the plans of the business trip to Bukhara.

It is important to suggest that on the same day, at the suggestion of the head of the department "Water management and melioration" of Bukhara branch of TIIAME, I. Khudayev met with B. Matyakubov. During the visit, 6-month reports of doctoral students of specialty 006.01.02 - "Land reclamation and irrigated agriculture" were listened.

At the end of the lecture, prof. B. Matyakubov met with independent researchers, doctoral students and masters. He also spoke about future research projects and their implementation. They also discussed the existing problems in the systems of agriculture and water management, as well as the ways to solve them, the formation of scientific and innovative ideas and projects.
