

## Visit to the Timurids History Museum

Coordinator of the group of students of the 1st course, group 108 "Application of innovative techniques and technologies in agriculture" on December 9 of this year, on implementing 5 important initiatives of the President of the Republic of Uzbekistan P.T. Berdymuratov visited the State Museum of History of Temurid.

Museum staff told the students interesting facts about Timurids history. The historical exhibits here greatly interest the students.
