

Sport is the reason for health

Important attention is given to the meaningful leisure of students of the third course groups 301 and 302a in the direction of "Electrification and Automation of Agriculture" of the faculty of Agriculture and Water Resources. For the same purpose, the assistant professor of the department "Electrical Engineering and the Use of Electrical Equipment" group 302a U.Khaliqnazarov led the students to the sports complex located near the Tashkent TV Tower. There was a mini-football friendly under the motto "Sports Health Promotion". It was a victory for the students of the group 302a, and they were pushing for victory.
