

A Visit to the Home Museum

At the faculty of Agricultural Mechanization, a number of tasks are being implemented according to five important initiatives of the President of the Republic of Uzbekistan. As a proof of this, the students of the fourth course group 407 led by the group coach K.Usmanov visited the Museum of Sergey Borodin. Students acquainted with the life and work of the writer Sergei Borodin in the House Museum and visited various collections. Students received interesting information.
