

The bow to the Genius

On the occasion of the 578th anniversary of the well-known poet, the great statesman Mir Alisher Navoi, the event will be held in the third campus "Bow to Genius". At the event, the teachers of the Department of Hydraulics and Hydroformatics Maksudhon Atajanov and Davron Allayorov shared their views on the poet. Students of the Department of Hydromelioration, Water Management and Melioration Sh. Maksudov, A. Buronov, J. Karimov samples of the poet's work and his ghazals and poems were executed. The event was interesting and meaningful. At the end of the event, teacher-pedagogue Aziza Haitova expressed her gratitude to the students at the campus and handed souvenirs to them.
