

The fruit of many years of hard work

The fruit of many years of hard work

✘ On the eve of the holiday, active women of the Institute were awarded badges. Among them were Yagor Galina Grigorevna, a leading specialist of the Information Resource Center of the Tashkent Institute of Irrigation and Agricultural Mechanization Engineers, for her many years of fruitful work in the field. In this regard, the rector of our institute handed over gifts and money prizes to a group of active women.
