

Fair for graduates

On April 12, 2019, the "Graduate Fair and Career Day" event was organized at our Institute. 1504 students of 103 bachelor specialties and 214 masters from 22 specialties of the 2018/2019 academic years from the institute and 145 employers with 3000 vacancies of water management, agriculture, power industry, land management, economics, and personnel of the enterprises participated in the event.

During the event, roundtables were held among the "Employer" organizations and students of the enterprises and institutes, and students were informed about the existing conditions and opportunities in organizations. During the event, many young people were able to identify their workplaces, sign contracts to help young professionals work together. "

The Ministry of Water Resources of the Republic of Uzbekistan, Ministry of Internal Affairs, "Parkentsuvqurilish" LLC and "Artel" company held roundtable discussions with graduates of the institute.

R.Jumaniyozov, the press secretary of the institute
