

## State program in action

In the year of "Youth support and health promotion" in order to develop domestic and pilgrimage tourism according to the roadmap, students of the group 201 "Water management and melioration" of the Faculty of Hydromelioration, together with the curator of the group D. Allayorov, visited Samarkand.

During the trip, students visited the mausoleum of Islam Karimov, the Shakhi-Zinda complex, the Bibikhanum complex, the Registan, the Amir Temur mausoleum and Mirzo Ulugbek observatory to get acquainted with our great history and historical monuments.
