

Culture of behavior, clothing culture

On September 14, 2019, a general meeting was held with 2nd and 3rd year students of the faculties of land management, organization and management of water resources on the topic "Behavior Culture, Clothing Culture". At the meeting, the dean of the faculty Sh.Narbayev and the chairman of the Women's committees of the faculty of organization and management of water resources R.Kodirova spoke about the observance of the rules of internal discipline, defined by the charter of the institute, and the culture of behavior. The students were explained how to behave in the audience, how to dress properly, gave the necessary advice. Then the students asked the organizers of the event their questions.
