

Winners of the virtual competition "The Village in My Destiny"

The competition is aimed at increasing the youth's sense of responsibility for the history and future of our country, preserving the rich historical and cultural heritage of our people, instilling respect and reverence for national values and traditions among young people.

We sincerely congratulate the winners of the virtual contest "The Village in My Destiny". We wish all the winners good health, peace, happiness, and great victories. Good luck to all teachers and students who work tirelessly to develop our institute. We are confident that our youth will contribute to the further development of the agricultural economy of our country. Congratulations, dear students.
