

Health is the main aspect of Richness

A person tests his or her knowledge, passes a test or a test. It's an intellectual point. But it is natural that he can check his health. On February 13, 2014, the 1st group students of the Institute visited the Tashkent City Reproductive Health Center for a doctor's examination. There, the students received the necessary information at the reception of qualified doctors.

Information of Head of the Women's Committee of the Institute, Z.Khafizova

The press secretary of the Institute, Rakhimboy Jumaniyazov
