

The next meeting of the professor of TIIAME with representatives of foreign universities

Professor of TIIAME Tursunov Obid is currently on a business trip at the invitation of a number of Turkish universities. The next point of the business trip is Bolu Abant Izzet Baisal University in Turkey. On April 6, 2021, the professor held an official meeting with Professor Mustafa Alisharli, Rector of Bolu Abant Izzet Baisal University in Turkey.

Between the Bolu Abant Izzet Baisal University (BAIBU) and the Tashkent Institute of Irrigation and Agricultural Mechanization Engineers (TIIAME), was signed agreement on the establishment and development of bilateral relations, cooperation in the field of engineering and the development of joint projects, as well as joint scientific work in areas of agriculture and the environment.

In addition, Professor O. Tursunov, accompanied by Professor Nusret Karakai from Bolu University, Abant Izzet Baisal, got acquainted with the research centers and laboratories of the university. More information is available at the following link:
