

The 2nd stage of the Olympics started

On May 13, the Institute hosted the solemn opening ceremony of the 2nd round of the Republican Olympiad on "Agricultural Hydroelectric Amelioration". The Republican Olympiad was organized at the highest level, with participation of 6 students and their scientific supervisors. The event was opened by the pro-rector on scientific work and innovations of the Institute T. Sultanov.

The 2nd stage of the Olympiad was organized in accordance with the procedure established by the Charter and the composition of the jury, commission of justice and mandate was confirmed. From the second half of the day 1 and 2 types of Olympiads (Writing and Creative Work) were held. In order to create an exciting holiday for the participants of the Olympics, they were taken to the Uzbek State Musical Drama Theater named after Mukimiy. During the visit, the participants of the Olympics watched the performance "Tohir and Zuhra" and enjoyed the holiday. The remaining 3 and 4 types will be tomorrow.
