

## Sport - health insurance

On March 19, 2011, President of Uzbekistan Shavkat Mirziyoyev introduced five important initiatives on the development of spiritual and enlightenment work on a new system. The second initiative is aimed at creating the necessary conditions for the physical training of young people, their ability to demonstrate their sporting skills.

The 2nd year students of the "Land Management" faculty are trained in the specialty "A pure gold" in the Urtachirchik district of Tashkent region. On May 12 this year Dean of the faculty Sh. Narbaev Under the slogan "SPORTS OUR BUSINESS" between the teams at the initiative of Narbayev and the dean of youth affairs H. Eshova and the faculty members of the faculty, volleyball, football and volleyball competitions among boys. In this competition all the talented students of our faculty actively participated in their groups.

In the competition held in the high mood, the girls in the volleyball group won 208-209 groups, and boys - 206th. The team of 210 students took the first place in football competition. The winners of this competition are dean of faculty Sh. Narbayev was awarded 1-2-3 degrees and memorable prizes. Indeed, at the end of the competition, our students also had a wonderful concert program for cultural leisure. We look forward to further initiatives from faculty activists.
