

## Integration of education and production

In accordance with the Decree of the President of the Republic of Uzbekistan No.UP-5847 dated 08.10.2019, in order to implement training in the 5 + 1 system, an agreement on cooperation was signed between the Department of Hydraulics and Hydroinformatics and the organization JSC "Hydroproject".

For a deeper study by students of their field and the acquisition of practical skills for students of the groups 310 and 311 of the direction of education "Hydrology of rivers and reservoirs" of the Faculty of Hydromelioration at the Institute of JSC "Hydroproject" were held practical classes on the subject "Hydraulics of reservoirs". During the practical lesson, students got acquainted with laboratory equipment and also improved their knowledge.
