## Youth Week 2019 "What is the results of 2nd day of sport's week? Results, process and confidence!!!

The "Youth Week - 2019" project, organized by the management of TIIAME and the primary organization of the Youth Union of the institute, Day 2 of the day of sporting events was very interesting. The results of today's sports competitions are as follows:

Results of the inter-faculty table tennis competition among girls:

1st place Kh.Doniyorova.

2nd place K.Orzieva

3 rd place G.Tadjibayeva

The most exciting sports event of the day is the results of the inter-faculty football competition among girls:

1st place team of LRM faculty students

2nd place is the student of HM faculty

3rd place - Women's team of the faculty of ARM

Also in this sport event participated many students in different sport games like volleyball, basketball etc.

Information of the initial organization of the Union of Youth of the Institute
