

The political process in the students' eyes

On December 22, 2019, on the idea of "New Uzbekistan. New Elections" the students of the group 406 of "Hydro melioration" faculty visited 730 election station in order to familiarize with the election process.

The Election station members explained to students the election process and the principles of this year's election.

Students and voters living in Mirzo-Ulugbek mahalla also participated in the meeting with candidates for deputies of the Legislative Party of the Oliy Majlis of the Republic of Uzbekistan, Tashkent city council and Yunusabad district council. The students were able to fully carry out the pre-election program of 5 parties and to get acquainted with the priorities set by the candidates for deputy.
