

## Visit of Daniel Hicks

On December 13, 2011, Dr. Daniel Hicks, Professor of the Department of Economics at the University of Oklahoma, USA, visited our institute. The main purpose of the visit was to exchange views on the implementation of new projects on land and water resources analysis by the University of Oxford and Satellite, as well as on the activities of both universities, reforms in the education system, and achievements in the field of science. During the meeting, the sides agreed to cooperate in future promising plans, exchange programs, scientific-practical conferences and other.
