

Dedicated to Bobur

The Central Council of the Youth Union of Uzbekistan organized the Youth Festival at the Youth Creativity Palace under the hashtag #BoburDay, dedicated to the 537th anniversary of Zakhiriddin Muhammad Babur. All active students invited to participate. The process covered by the media. Many pop stars performed in front of students. The event attended by the Youth Council of the Institute, activists of the faculties of mechanization of agriculture, irrigation and drainage, organization and management of water resources.

The Central Council of the Youth Union of Uzbekistan Alisher Sadullaev addressed students and noted that the future of our country depends on young people, their knowledge and potential. "Tomorrow and the welfare of our planet depend on how our children become and achieve perfection. Our main task is to create the conditions for youth to manifest their potential". Today, highly educated and modern-minded young people with a solid life position are gradually turning into the decisive force of tomorrow's progress of the country.
