

It is important to complete tasks and assignments

On February 13, 2020, the next expanded meeting of the Institute's Curators Council held. The meeting outlined long-term plans for the future to implement the tasks identified in the Message of the President of the Republic of Uzbekistan Shavkat Mirziyoyev to the Parliament on the development of higher education, and during the meeting of the rector of the institute Uktam Pardaevich Umurzakov with the staff of the institute on February 1, 2020.

The participants divided into two separate groups; the meeting held in the form of dialogue.

The first group attended by curators of 4 faculties (irrigation and drainage, hydraulic engineering, energy supply of agriculture and water management, organization and management of water management);

In the second group - curators of 3 faculties (agricultural mechanization, land management and mechanization of irrigation and drainage works).

It is necessary to consider a mechanism for encouraging the most active and responsible curators during the school year. During the meeting, it made suggestions and recommendations on the effective organization of curatorial work.
