

## Babur is a great king and poet

Zakhiriddin Mukhammad Babur is a writer, poet, scholar, statesman and commander who played a significant role in the culture, literature and poetry of the Middle East. Babur, with his broad outlook and excellent intellect, founded the Baburi dynasty in India and became a statesman in the history of the country.

His elegant ghazals and rubais are among the rarest masterpieces of Turk poetry. On February 12, the faculty and students of the Faculty of "Energy Supply of Agriculture and Water Resources" widely celebrated the 538th anniversary of the birth of King and poet Zakhiriddin Mukhammad Babur in the "Alley of Writers". Our students laid flowers at the foot of the statue. Members of the Writers' Union of Uzbekistan Botir Ergashev and Rustam Musurmon and teachers told students about Bobur.

Our students were happy to spend their free time meaningfully. With spiritual nourishment, they set great goals.
