

## "Baburkhanlik" in the dormitory

The soul which loves poetry always seeks for enlightenment and art. The power of literature is to make the heart enjoy, to think, to sing, to speak. The 538th anniversary of the birth of the poet and great statesman Zakhiriddin Mukhammad Babur is widely celebrated. In particular, on February 12, professors and students of the Faculty of "Energy Supply of Agriculture and Water Resources" celebrated the birthday of the king and poet Zakhiriddin Mukhammad Babur in the dormitory No.2. It is no exaggeration to say that a scene from Babur's life was a scene of the day. A ghazal night was organized among the students. Valiev Saman, a young creative student of our faculty, performed classical songs with Babur's ghazals.
