

## Republican online conference

On May 15, I took part in the Republican online conference "Women's achievements in science, culture and development of innovative technologies", organized at the Jizzakh Polytechnic Institute.

The conference will focus on increasing the popularity of women's sports and the role of the family and educational institutions in teaching foreign languages, human society, the relationship between the individual family, gender equality and opportunities, protection of women from oppression and violence, reports on raising the culture of reading, as well as the widespread promotion of reading were heard. A number of female professors and teachers of our institute took an active part in this conference.

Information of the Chairman of the Women's Council of the Institute Zulfiya Hafizova
