

Dear teachers, researchers and students!

**ANNUAL INTERNATIONAL SCIENTIFIC CONFERENCE ON GEOINFORMATICS - GI 2021**

**“Supporting sustainable development by GIST”, January 27-29, 2021**

**Tashkent Institute of Irrigation and Agricultural Mechanization Engineers (TIAME), Tashkent,  
Uzbekistan**

**ONLINE/ONSITE**

**Dear teachers, researchers and students!**

We invite you to the Annual International Conference GI 2021 on Geoinformatics on January 27-29, 2021. The main objectives of this conference are orientate UZ scientists of Socio-Ecological Systems into interdisciplinary geospatial doctoral studies and research; and Improve involvement of UZ academic staff and doctoral candidates in geoinformation sciences into world-wide scientific community, strengthening internationalization of HEIs/RIs.

To participate in the conference, register on the conference platform <https://bit.ly/2XsGjFc> or on the official conference website <http://geo.amk.uni-obuda.hu/gi2020/registration.htm>. Upon registration, a link will appear to access the online meeting through the Zoom platform, and this link will also be sent to the email address used during registration.

Detailed information about the GI 2021 conference can be found on the conference's official website (<http://geo.amk.uni-obuda.hu/gi2020/home.htm>), as well as on issues related to the conference, you can contact the conference secretary Ilkhom Abdurakhmanov ([gi2020conference@gmail.com](mailto:gi2020conference@gmail.com)).

We are looking forward to see you you at the GI 2021 conference!
