

The "EVRIKA" Club invites talented students

The "Hydromelioration" faculty invites all talented students of our faculty to join the circle in "EVRIKA" circle organized by the department of "Hydraulics and hydroinformatics".

In the circle:

- Dealing with issues related to the Olympiad in hydraulics;
- learning to write theses, scientific articles;
- development of innovative ideas;
- Formation and registration of START-UP projects.

Classes are held every Friday at 4:00 pm in Room 401, Block G. The leader of the "Evrika" circle is M. Otakhanov.

Contact telephones: 97 277-13-03, 99 856-14-93

e-mail: m.otaxonov@tiiame.uz
