

## Practical help for high school graduates

Б. Кhasanov and G. Bekmirzaev visited "Akkurgan" mahalla in Mirzo-Ulugbek district. They met with the chairman of the mahalla M. Abdullaev. They visited the homes of lonely elderly people living in the mahalla (3 people), disabled people (4), families in need of social protection (12 people) and families who lost their breadwinner (2 people).

The Department of Higher Mathematics plans to organize math courses for youth in the "youth book."
