

Examinations for the master's degree have begun at the Karshi branch

On August 16, 2021, the exams for the Master's program at the Karshi branch of the Tashkent Institute of Irrigation and Agricultural Mechanization Engineers began. Applicants to the Master's program are allowed to take the test only if they have a passport and a special permit to take the exam. The permit can be downloaded at <http://magistr.edu.uz> and <http://ruxsatnoma.edu.uz/>.

Examinations will be conducted in full compliance with all quarantine requirements for 6 majors and will take place Aug. 16-18 in the main branch building. There will be online monitoring of the graduate exams <https://imtihon.edu.uz/Qashqadaryo/50>
