

Non-cash payment rules

According to the memorandum of cooperation concluded between the Joint-Stock Commercial Bank "Turonbank" and our institute, the institute organizes scientific and practical seminars on a special schedule. On October 16, 2021, a regular seminar was held on the topic "Rules of non-cash payments in the Republic of Uzbekistan". Solimjon Salokhiddinov, Head of the Department of the Main Department of Taxes and Finance, JSCB Turonbank, made a presentation at the seminar. The seminar was held in the form of an open dialogue.

The speaker, a graduate of the Faculty of Organization and Management of Water Resources of the TIAME. The advantages of non-cash payments were presented to the audience: the turnover of funds is accelerated, the amount of cash is reduced, the costs of organizing and conducting cash circulation are reduced. Changes in the activities of banks during the transition to the digital economy and the ongoing reforms were widely discussed.
