

A forum that brings together the youth

On October 15, the Karshi branch of the Tashkent Institute of Irrigation and Agricultural Mechanization Engineers hosted a Youth Forum under the slogan "Election 2021: Vote for the Future." It was attended by professors and students of higher educational institutions of the region, as well as members of the advocacy group from Tashkent in the framework of the project "Targ'ibot poyezdi". At the beginning of the forum, the speakers spoke about the activities of election commissions, electoral legislation, the active participation of young people in the political process. During the event, the advocacy group presented a variety of quizzes based on interesting questions, intellectual games "Zakovat" and musical performances. During the competition, teams of university students tested their knowledge of electoral law.

Talented students of the Karshi branch of the Tashkent Institute of Irrigation and Agricultural Mechanization Engineers became the winners among higher education institutions. The charming songs performed during the forum added a special charm to the event. It should be noted that students of Karshi State University, Karshi Institute of Engineers and Economics, Karshi branch of Tashkent University of Information Technologies, Karshi branch of the Tashkent Institute of Irrigation and Agricultural Mechanization Engineers also took an active part in the forum.
