

## Peace in our country is a factor of our sustainable development

In connection with the "Day of Defenders of the Motherland" students of the direction of "Electrification and automation of agriculture" of the faculty of "Agriculture and Water Resources", the department of "Electrotechnology and Electrical Equipment" and special operations of the Ministry of Internal Affairs together with the staff of the Coordination department, Mayor D.Ochilov, Captain K.Muhammadiev, Senior Lieutenant H.Bobojonov held a meeting on January 17, 2020 at the Hall "Peace of the Country - Sustainable Development". Senior Lieutenant Kh.Bobojonov congratulated and lectured all the professors and students on the Day of Defender of the Motherland and made a video of their preparation. The event was interesting and full of questions and answers.
