

Can we recognize Navoi and Babur?

These days widely celebrated, the 579th anniversary of the great thinker Alisher Navoi and the 537th anniversary of the great poet Zahiriddin Muhammad Babur. On February 15, in the SD1 was held round table "Can we recognize Navoi and Babur?". The students of the faculty of "Land Management" at the initiative of the Deputy Dean for Youth Affairs H.Eshova, and Senior lecturers of the Department of Humanities M. Hakimova, N. Rakhmonberdieva, H. Botirova, B. Mamadaminova participated in the lecture.

It should be noted that the works of Navoi and Babur are the masterpieces of Turkish literature. Navoi fascinated the world created with his unique works. Therefore, their creations are still being studied. Scientists have written more than 12,000 works in various genres about Babur. Hundreds of studies, dissertations and monographs have been written on each of the 34 works created by Navoi. In fact, every single line of the poetry of our ancestors can be a research.

What is the secret and value of the works of the great ancestors of the poet, why their ideas and teachings remain relevant for all ages? We aim to find a few answers to the questions we have about how many excellent scientific publications we are making, and what are the issues of teaching and promoting their works.

During the lively conversation, the students received detailed answers to their questions from experts.
