

Visit to the museum of the great commander Amir Temur

On March 16, 4 course 12 Group Students of Energy Supply of Agriculture and Water Resources, Technical Expertise and Marketing Education Techniques department under the leadership of Group Curator PhD. A. Djalilov visited the State Museum of the History of the Timurids, in order to educate the younger generation in the spirit of high respect and attention to the great people of our history, the heritage of our ancestors. During the trip they got acquainted with the historical information about the Timurids.

This museum reflects the high level of development of science, education and culture during the reign of Amir Temur and the Timurids. This building is not only a museum, but also a unique object that illuminates the history of the statehood of our people, embodies the rich material and spiritual heritage of our ancestors and transmits it to future generations through scientific research.
