

## Mass culture

On April 16, 2021, in the 7th lecture hall, the Dean of the Faculty of Agricultural Mechanization K. Shavazov held an explanatory conversation with students and curators of the 1st course on the topic "Mass culture and its consequences." Popular culture has become one of the integral components of the modern era. Moreover, this phenomenon has left its mark on absolutely all spheres of social life, which can be easily traced on the basis of all the changes exerted on the way of human existence. Popular culture influences the spiritual life of society as a whole.
