

Visit to the house-museum of Tamara Khanum

On April 16, 2021, 4th course students of group 14 of the Faculty of Land Management visited the House-Museum of People's Artist of Uzbekistan Tamara Khanum under the guidance of the group curator Z. Khafizova. Iroda Fayzullaeva, a researcher at the museum, told the students about Tamara Khanum, her life and work, her childhood, her love of dancing, concert groups with whom she worked. All her life she traveled around Uzbekistan, and later around the world and collected folklore songs and dances in order to transfer them to the stage and share with the audience. She managed to see, preserve and convey the culture of different nationalities.
