

There is an event in "Mustakillik" mahalla

On June 16, 2021, an event was organized in "Mustakillik" mahalla of Mirzo-Ulugbek district by the staff of the Faculty of Agricultural Mechanization. A lively dialogue took place, where the problems of young people were listened to, conversations were held with mahalla activists to discuss current problems.

The event, organized on the initiative of the Faculty of Agricultural Mechanization, was attended by the Vice-Rector for Youth Affairs R. Choriev and activists of the mahalla. The guests were shown a video, which tells about the life and activities of the Institute. Then, mahalla youth were handed gifts. At the end of the event, the Institute psychologist M. Mukhamedova conducted a psychological training seminar for residents and youth.
