

## Visit to the incubation center of the Karshi branch of TIAME

Resolution of the Cabinet of Ministers of the Republic of Uzbekistan of May 19, 2021 "On the necessary measures to organize the activities of software and information technology technopark and support startup projects in higher education institutions in the Kashkadarya region" in action. In accordance with this decision, a program of measures to create and operate incubation centers to support startup projects in higher education institutions of Kashkadarya region was developed.

On June 16, 2021, the incubation center of Karshi branch of TIIMSH was visited by students of groups 126-127 under the guidance of group supervisors B. Zhuraeva and I. Ganiev. During the visit, students were informed about incubation and acceleration programs, organization and conduct of various startup events, work with the startup database, use of IT tools and much more.
