

Brain exercise

On December 16, 2020 in the sports complex of the Institute was held a competition on checkers and chess among first-year students of the Faculty of "Mechanization of Hydromeliorative works" under the motto "Sport - a guarantee of health". The purpose of organizing the event at a high level is to help students to spend their free time meaningfully, to grow up as physically healthy and spiritually mature people. The event was attended by O. Rozibaev, Deputy Dean for Youth Affairs, coaches of the Department of "Physical Culture and Sports", leaders of the "Youth Union" of the faculty. At the end of the competition, the winners were awarded with diplomas and valuable prizes.
