

Visit to the Museum of the Armed Forces of the Republic of Uzbekistan.

On December 16, 2021, Tashkent Institute of Irrigation and Agricultural Mechanization Engineers. the Faculty of Hydromelioration "Water Supply Engineering Systems" direction 106 group students and group coach Akhmedjanova G.T had an Excursion to the Museum of Forces in honor of the Day of Defenders of the Fatherland. The students had the excursion to get acquainted with the Museum of the Armed Forces of the Republic of Uzbekistan. The tour was fully introduced to the students under the guidance of a museum employee. Students say that the museum was founded in 1965, and the museum also has a special exhibition "Martial Arts of the Timurid period" dedicated to the great commander Amir Temur. The exhibition "Protection of Independent Uzbekistan" contains information about the types of troops, the life of the military, their combat and military-political training, as well as the actions of military campaigns, deployment schemes, weapons, insignia and other exhibits of the Timurid period. The students got the information they needed. During the visit, students asked questions to the museum staff and received clear answers to their questions.
