

## Visit to the Olympic Museum of Fame

In order to attract the younger generation to the sport on February 17 the students of the 101 group of "Energy supply of Agriculture and water resources" faculty, visited the Olympic Museum of Fame. The students were led by A.Turdiboev the assistant of the department "Electrical Engineering and Electrical Equipment".

The students got acquainted with the achievements of the athletes, who have raised the flag of our country at the Olympic Games and world championships since the opening date of the museum.

The students were very impressed with the exhibits of the Museum's athletes.
