

Chess-checkers competition

At present, the Republic of Uzbekistan has many opportunities for youth in the field of sports, including five important initiatives put forward by the President of the Republic of Uzbekistan Sh.Mirziyoev.

The Competition was organized by the Youth Council of the Faculty of Organisation and Management of Water Resources at the Tashkent Institute of Irrigation and Agricultural Mechanization Engineers.

There participated 28 students from our faculty and 5 volunteer students from other faculties of our Institute.

1st place was given to Davlatov Hayatbek, a student of OMWR group 101

2nd place HC faculty 202 group Otaboev Doniyor

3rd place OMWR faculty 204 group Hamzaliyev Eldor

We congratulate all students with success!
