## Guarantee of Victory

A person with intellectual potential will, of course, revoke the book, read and never ignore it. Only then he will be given a wide knowledge, gets interesting facts about various fields. They will definitely feel good at times. A new idea and opinion lead to innovative inventions, development strategies.

On April 17, 2019, on the occasion of "INTERNATIONAL EARTH DAY" dated on April 22 the Intellectual Contest among students was held on the theme "Earth's national wealth, its preservation is our duty" on April 16-17, 2019. On April 17, national game intellectual competition, which was attended by 17 members of the institute who demonstrated their knowledge through questions and answers on various topics.
