

New tasks were defined

Under the chairmanship of the President of the Republic of Uzbekistan Sh.M. Mirziyoyev a video conference dedicated to the priority tasks in the system of higher education was held on June 16, 2021. On June 17, 2021, Prime Minister of the Republic of Uzbekistan A.N.Aripov visited TIIAME and inspected special rooms, giving them a positive assessment.

Prime Minister studied the conditions created at the Institute. Tasks on the expansion of cooperation of the institute with employers, improving the quality of education, as well as a number of tasks for the further development of the education system in the future were identified.
